

**Item N3
2006-07 Tobacco
Products Tax Rate**

Memorandum

To: Mr. Ramon J. Hirsig
Executive Director

Date: April 11, 2006

From: David J. Gau, Deputy Director
Property and Special Taxes Department

Subject: **2006-07 Tobacco Products Tax Rate**
(May 17, 2006 Administrative Consent Calendar)

Section 30126 of the Revenue and Taxation Code requires the Board's annual determination of the tobacco products tax rate pursuant to subdivision (b) of section 30123, Revenue and Taxation Code. The rate is based on the wholesale cost of tobacco products as of March 1, and is effective during the next fiscal year.

The recommended 2006-07 Tobacco Products Tax Rate is based on the wholesale premium brand cigarette price in April 2002, as published by the United States Department of Agriculture. The April 2002 price is being used for the determination of the 2006-07 rate because it is the latest published price change, as called for in the statutes, and reflects the wholesale cost of cigarettes as of March 1, 2006. Staff's calculation of the 2006-07 Tobacco Products Tax Rate is detailed on Attachment 1, and the Board-adopted Tobacco Products Tax Rates from fiscal year 1988-89 through 2005-06 are shown on Attachment 2.

I recommend your concurrence with the continuation of the 46.76 percent Tobacco Products Tax Rate for 2006-07.

Please place this item on the Board's May 17, 2006 Administrative Consent Calendar for approval.
